

URC Learning Remote Controls (Cincinnati)

Location **Kentucky**
<https://www.genclassifieds.com/x-379934-z>

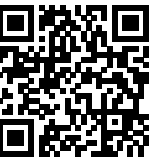

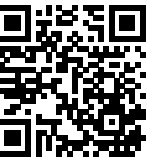

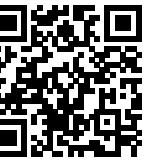

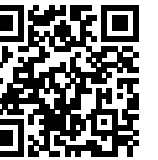

Two remotes from the Universal Remote Control (URC) company.

- Home Theater Master SL-9000 Remote Control - \$20
 The SL-9000 can operate 8 audio and/or video components, set-up is easy using three digit preprogrammed code numbers or manually programmable with extensive Macro programming. Learns up to 376 commands via infrared from other device remote controls. Four reserved "Macro" LCD buttons, sends out multiple commands at once. Buttons are back-lit.

- AVEX R6 Remote Control - \$10
 The R6 replaces up to 6 remote controls. MacroPower, press one button, turns up to 6 components on/off. A, B, C, D buttons are also designed to serve as dedicated Favorite Channel buttons.

Both are in excellent "new" condition. Includes manual.

Reading this now tells you it's still available.....
