Relay For Life is...

Relay For Life is a life-changing event that gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease.

At Relay, teams of people camp out at a local school, park, or stadium and take turns walking around a track/path. Because cancer never sleeps, Relays are overnight events to symbolize a cancer patient's journey. Relayists do not have to walk all night, but each team is asked to have a representative on the track at all times during the event.

What to Expect at a Relay Event

- Relayists are welcomed in the **OPENING CEREMONY**.
- The **FIGHT BACK CEREMONY** begins. Share the event. Relayists take a final lap and pledge to take action and spread awareness of cancer research, treatments, and prevention.
- The **CAREGIVER LAP** recognizes those who have given care to cancer patients.
- All of the Relay teams are invited to walk together during the **OPENING LAP**.
- Lighters to begin and candles are lit during the **LIGHTS ARE LIT CEREMONY** to honor loved ones who have passed or are fighting the disease.
- INDIVIDUAL MILEAGES** is observed throughout the night with **RAMP UP GAMES, ACTIVITIES, and ENTERTAINMENT**.
