

## Cornish Rex cat needs a new home (Champlin)

Location **Minnesota**

Very friendly , outgoing special boy needs a new home. He is neutered and is about 5 to 6 years old. This is a strictly indoor cat who wants nothing more than a lap to sit on 24 hours a day. He will come with his supplies.

Reason for rehoming him ( please read carefully ) we are a busy family and not home as much as when we first got him. He is a over the top lover and seems to stress out when he feels we have been gone to long. He randomly will urinate on items left on the floor when he is lonely. If you are home a lot he is a angel and will be your best friend! He has personality plus for someone who wants a constant companion. Please only contact me if you are serious and have questions, I will be totally honest. This is a cat that when you have company thinks it a celebration of him!

Cornish Rex are very special cats with very cute personalities .

Phone calls only, I am home all day if no answer l/m I will call you right back.

There is a rehoming fee of \$100
