Hello! I'm Mufasa, and I am an outgoing, playful fellow who isn't above purring continuously. I'm confident and bold--and for good reason--I'm amazing! I love to play, especially when I can catch toys in mid-air! I also love being snuggled and being able to cuddle you right back. I'll rub on you and look you right in the eye--I'm no scaredy cat! I love to climb, explore and check out new things and people whenever I can!

I'm already neutered, dewormed, disease-tested, fully vaccinated, microchipped, and ready to be adopted by you! You can find me in room 3 at Simply Cats Adoption Center--that's where we'll fall in love!
