all adopters will be checked and asked adoption fee to cover their new family members vet cost food etc so I can continue to afford to foster or asked to donate to local shelter 60.00 and bring rec. when picking up kittens:)

. I can handle 4-6 litters a times singles also welcome , PLEASE TEXT FOR INFO ONLY TEXT...I WILL REPLY ... When I am free I will pick up with 10 miles of rahway nj or ask you bring to me possibly meet half way .

I supply al costs for formula , every 3 hour feedings , love play attention ..a responsible future home and family and socialization .

****Reason being i cant take older cats / kittens is I have a dog who loves cats but I Can crate my litters they enjoy being safe warm together and taken out for hours of play ...older kittens cats do not enjoy being crated retain issues of captivation and have behavioral problems and if stray do not enjoy dogs :)...FIRST COME LITTERS FIRST SERVED I will update as singles or litters as they come in for space available.
