The house is located less than 2 miles from Salisbury beach. Enjoy a fire in the fireplaced living room or the sunshine in the 4-season sun porch. Bedrooms and living room have hardwood floors and ceiling fans in all bedrooms. The kitchen has been updated (cabinets, flooring and newer appliances). There is a full cellar with a washer & dryer and there is also a 1 car detached garage. The heat and hot water are gas and in the summer you can stay cool in the central air. And there is a nice back yard which is partially fenced.

House will be available after May 1st. I am looking for someone who will pay the rent on time and take good care of my house. I require a lease, 1st, last & security deposit and references. I will consider pets but may require an additional security deposit. If you would like more information please.
