

Need to convert 2d sketches to 3d rendering (kent east hill)

Location **Washington**
<https://www.genclassifieds.com/x-381785-z>

I have 2d sketches of a car design I need rendered into 3d. I need the following renderings:

- 1) 3/4 front view all windows closed
- 2) 3/4 front view with windows open and roof panels removed
- 3) side view showing doors and trunk lid opened with limited interior detail shown.
