

Looking for general contractor to complete repairs (MORRISVILLE, VT)

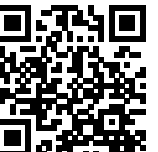

Location **Vermont**
<https://www.genclassifieds.com/x-382473-z>

We need someone, or a team, who can do the following for us:

- Install kitchen cabinetry
- Repair plumbing leaks and pressure test
- Replacing baseboard and window trim
- Drywall repairs, including cleaning mold-damaged surfaces, wallpaper removal, installing new drywall, hung, taped and floated, painting surfaces with Kilz
- Installing a hot water tank and pressure tank
- Replace sub-flooring and vinyl flooring
- Installing metal hand-railing
- Installing a new exterior door
- Installing a furnace

As a part of this job, we will need complete electronic photos of the property before you start, photos throughout the process and another complete set of photos of the property after the work is finished. These photos must be uploaded through software that we will.
