42 yr old singer and bass guitarist looking to play. I've been singing all my life and playing bass since '89. Into groove, funk, and music around those genres...rock and blues is fine if you don't mind me occasionally playing off beat. I write lyrics and can come up with my own lines. I have transportation and gig ready gear. Feel free to send samples if you're in the market...hell, send me something, I'll lay bass and/or vox over it and send it.
