Location **Arizona**  
<https://www.genclassifieds.com/x-382719-z>

Everything around us is starting to get that lush Spring look, so the May <http://www.BoardPusher.com> THI3D THURSDAY Skateboard Design Contest theme is LANDSCAPE. You can choose any style movement of landscape design and we encourage all mediums as well for this contest, from digital graphics to photography and everything in between.

All entries must be received by Thursday, May 21st. What's up for grabs is your graphic printed on a skateboard and \$100. Your design will also be featured in the BoardPusher THI3D THURSDAY shop where a limited run of 10 decks with your graphic will be available to the public. See past winners here <http://www.BoardPusher.com/ThirdThursday>. BoardPusher will not be using the graphics for branding purposes, so the rights to the winning artwork, as well as all entries not selected, will be retained by the original artist. To enter, or for more information, go to <http://www.boardpusher.com/contest>. Address any further questions.
