I have a few openings at my home daycare in San Gabriel. I have a infant spot open and a couple of full-time and/or part-time toddlers to fill my spaces. I will never accept more than 6 children into care, so you know your child will be given one on one attention.

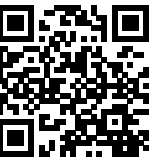

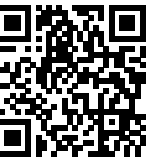

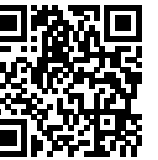

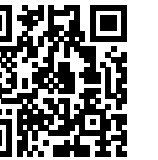

**About the program:**

I use rotating weekly themes that I plan myself. Themes can be things like colors, farms, plants ect. I really believe in play based learning so a lot of my activities are not "lessons" they are more "learn by doing" activities. We serve breakfast and lunch, and a 4pm snack. I take all opportunities to provide wholesome meal options. At least one meal a day is hot, and all meals are fresh and homemade.

**About me:**

I have over 10 years of experience as a nanny, camp counselor, and mother. I also have child development coursework. I can provide references upon request.

If you would like to learn more, please feel free to visit my website [www.lilsprouts.net](http://www.lilsprouts.net) for more information. My rates, sample schedule, sample menu, and sample lesson plans are all listed, along with my parent's handbook which lists my policies and procedures. Thank you for your time and!
