

Custom Cruiser, Sport and Touring Bike Seats (Havre de Grace)

Location **Delaware**
<https://www.genclassifieds.com/x-383058-z>

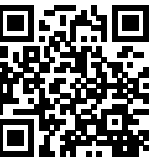

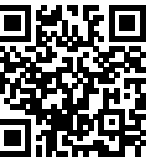

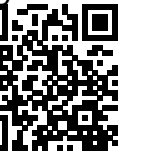

No matter what type of upholstery service you require, we have you COVERED!

We can provide OEM or High Quality materials that will stand up to 20 time the abuse of OEM. While OEM fabrics are tested to about 15,000 double rubs, some of our higher quality materials can withstand in excess of 90,000 double rubs. This is not only good for a custom show car but also is used for Rigs, Trucks, Campers and even Mini-Vans that need to stand up to children all day long. Some rigs are on the road for more than a million miles, that is a very long time to sit in a seat along with the amount of wear that will be seen.

We offer an enormous choice of fabrics, thread color and materials. We are an AMERICAN owned and operated local business. We fabricate everything onsite, nothing is ordered from China! A true experienced professional highly talented and trained upholsterer will be the only one to work on your repair or project.

We can install Gel Pads, Seat heaters, Heat Shields, New Foam Material, Custom Padding, Tailoring to fit your 'ass' if so desired.

We can wrap Dashes, Accent Pieces, Trim Pieces, Foot Peg Booties, Kick Stand Boot to protect the finish, Removable Seat Covers, Embroidery..... and more.
