

# Vinyl Records Albums LPs

Location **California**  
<https://www.genclassifieds.com/x-383331-z>

I am selling off my collection of albums. There is probably over 800 LP's and the vast majority are rock.

95% of them have perfect vinyl and most also have very nice jackets

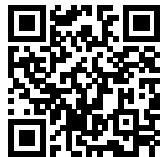

There is a huge variety of artists and it is mostly late 60's to early 80's rock.

In addition, I have a couple crates full of albums that are \$1.
