

2006 Scion tC for sale (5000 USD)

Location **Massachusetts**
<https://www.genclassifieds.com/x-383408-z>

111,xxx miles auto runs excellent. looking for 5000 obo. clean all around recently put on new tires. will need front brakes and o2 sensor which only costs \$90. runs without it fine but check engine light wont turn off. you can also change the exhaust from cat back and it will get rid of the sensor completely if you wanted to give its an aftermarket.
