Not only did I grow up helping my mother raise my seven younger siblings, but I have a beautiful two year old daughter. I get along great with children and pets. I'm patient, friendly, open-minded, and kind.

I can work any time after 8 pm and anytime before 8 am Monday thru Friday. The weekends vary. Occasionally I can work before 8 pm. The only way I could work during the day is if my daughter were with me. That's completely up to you.

I have my own vehicle and I'm willing to travel out of Metairie. If your plans change and need a sitter immediately, I can make it work.

Email me for more info.
