Diamond is 3, 60lb, and already spayed , up to date on shots & micro chipped

She is kid/ppl/dog friendly

Not cat tested yet

She was sadly an owner surrender due to a housing ban

Diamond was relinquished into our care as her owner is moving to a place not allowing dogs. He has

only great things to say about her and seems to have loved her very much. She has been outstandingly healthy, well-mannered and has been most gorgeous since the new year. And, the best part is she was not destructive at all in her first 2 weeks. Diamond is a very energetic dog. She can take a command and she knows that she will be the runner of the ball. She can play and licks my face away with her tongue as if to give me a doggy kiss. Diamond is friendly toward some and ignored others.

To adopt DIAMOND please
