"We've had our 4 yr old son at this daycare for several months now, and they are organized, patient,

responsible, very clean, and have lots of structured fun and learning for all children! it's very easy to see the bus employees have fun too, the children and get along with each other. We're highly recommend them!!!!

meals and snacks that our kids enjoy. We have always been able to talk with the staff about any suggestions that we have and the staff listens and responds to us. We have a 5 and 3 year old that run to the door at daycare every morning and never complain about having to stay...that in itself speaks volumes about Creative Kidz!!" -- Danielle & Karry B

"As a working and first time mother, I wanted to find the best daycare where I knew my son was in good hands and felt completely comfortable. Creative Kidz is that place. Creative Kidz is not only a clean, well maintained, and secure center, but the staff is amazing too! They truly care for the children and I appreciate the open feedback on my child's day and overall development. They are very accommodating, understanding, and patient. It's a great feeling as a parent to be able to go to work each day and leave your child with someone you can trust to take the very best care of your child." -- Alison W.

"We've been taking our son to Creative Kidz in La Vista for the past 5 months. He's in the Infant Room and we just adore the teachers there. They're always so friendly and polite and we sense they really do love the kids. They are just as excited about his milestones as I am!

In selecting child care for our son we visited both in-home options and other daycare centers before selecting Creative Kidz. This center was by far the cleanest one we visited, has great hours and very affordable prices. The Director and staff are always accommodating in all of our requests and have followed our directions to a T, especially with feedings and medicines. There is great communication from the teachers as far as how my son did each day and how he spent his time.

I know he's in good hands when I drop him off each day and it made my transition back to work seamless. We're very pleased with our decision to go to Creative Kidz" -- Diane
