Significant CASH REWARD

Lost my bust ol' (but reliable) GoPro2 in Wailea at Po'olenalena Beach.. or "Changs"
Got slammed and lost it in the waves located ahead of the yellowgate in the parking lot.

Jus' really want it back..
It detached from buoyant holder in the wavebreak before the wash.

PIC is of my feet, and board.. The footage consists of mostly this.. :)

Its the OLD round lens model in a water proof case, and is attached to the top half of a buoyant mount.

Offering a SIGNIFICANT CA\$H REWARD & GOOD VIBES for its return..

Thanks! MAHALO!
