

# AKC registered purebred Pomeranian puppies

Location **Massachusetts**  
<https://www.genclassifieds.com/x-384099-z>

I have two beautiful AKC registered purebred Pomeranian puppies for sale. They have had their first set of puppy shots and been dewormed. Their father has tested clean through GenID for genetic conditions, and has many champions in his pedigree. Their father weighs about 6 pounds, their mother weighs around 4 pounds, so these puppies should be around 5 pounds. They are red sable males and are 6 weeks old. for more information contact me by
