I am a professional painter that has worked in the local area for the past 25 years.
I have local references that include both contractors and home owners.

My services include but are not limited to:

Residential & Commercial
Interior and exterior painting.
Sheetrock repair and texturing.
Stain wood finishing and re-finishing.
Door finishing and re-finishing.
Decks and fences. (Either painting or other protective coatings).
If it can be painted, I can paint it.

I can paint one room or the whole house. Estimates are free and all work is done in a timely and professional manner. I do one job at a time so I will be there from day one until the job is done.
My rates are reasonable and you don't pay until the job is done to your satisfaction.

You can call me, text me or email me and I will reply promptly.
