I've moved too many times to even think about since I've lived in the city over the last 7 years. I've had movers, and a Van. Van was truly a pain in the rear. The rough luck I had was on my first move. It was one of those moves where you had to make it simply said, clean to dress, and to boxes. In fact I had to be careful about the ramp, and the work, and the fingers. In fact, a van etc. While Kevin was a bit dismayed at first (as I was myself), he made it work, got everything into a van and with the help of his partner, was able to squeeze all of my junk into a 5x11 storage space on the 5th floor of a storage facility...in an orderly fashion, to boot. Despite the complete underestimation that I gave him, he did not charge me extra. Not only was that an incredible deal, but it helped calm my nerves during moving time, which sucks for pretty much anyone. Oh, and he didn't let me move a finger- it's his policy. When he's moving things, he doesn't want clients in the way, as they could potentially get hurt. While I wanted to help, I actually really agree with this philosophy. Too many cooks in the kitchen make

mess...especially when one of the cooks just wants to pick up some of the lighter items and move them without any strategy.

Kirk did. And he did so with efficiency. I do have to say one thing, however. He ran late, but kept in contact with me throughout so I would know when to expect him. No gripes there. I would definitely use him again.

I've used kirk's Van Service twice in about a month --one to move a small business and the other to move the contents of a 1 bedroom apartment to 2 different locations. Both crews were extremely hardworking, knowledgeable and very pleasant. I have no hesitation in recommending the service.

This is one of the popular classes we offer about pasta making. All classes are self-contained and there is no specific order.

In this class we learn how to knead the egg pasta though and prepare the pasta sheets. We then prepare the fillings and use traditional and modern tools to o fill our tortellini and ravioli. Yes! You will make tortellini with your own fingers!

We will prepare 3 fillings:

1. Traditional tortellini filling of pork, prosciutto and mortadella and nutmeg
2. Traditional ravioli filling of ricotta, spinach and nutmeg
3. Ravioli filling of ricotta and walnuts with a citrus zesty flavor

Finally, we use the same egg dough to make tagliatelle.

A delicious dinner will conclude our get together.

Starter

Mixed crostini with our own special sauces and mousses
Eggplants, zucchini, bell peppers

Ravioli and tortellini feast

Tortellini in brodo (vegetables or chicken broth)
Ravioli with ricotta and spinach drizzled with truffle oil
Ravioli with ricotta and walnuts with pesto sauce

Taste of tagliatelle with a mushroom, garlic and parsley sauce

Dessert

Homemade Tiramisu
Espresso and cappuccino

BYOB is encouraged. We suggest Chianti or Pinot Noir
