

John Deere 110 112 round fender parts (Indianapolis)

Location **Indiana**
<https://www.genclassifieds.com/x-384559-z>

- John Deere round fender parts.
- Dash panel \$30
- Grill \$30
- fenders \$60 and \$70 a set
- Tecumseh HH100 short block \$150
- Hood \$40
- Front axle - complete \$40

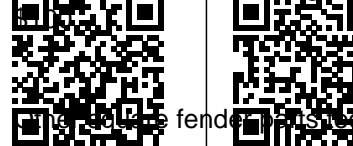

1967 112 round fender. I'm the 3rd owner of this tractor. The second owner was 80 years old and had owned it 20 years. Complete, unrestored, could use a paint job, but very solid. Will be sold without headlights/taillight and seat cushion for \$550

Headlight/taillight set from a 1967 round fender. Very nice \$275 SOLD

E0046 mower deck. Only made for the 1966 and 1967 112. Very solid \$375

1967 112 round fender pedestal from an original hydraulic lift tractor. Notice, no ugly hole to fill on the side of the pedestal where the manual lift arm would mount.

This comes with matching serial # tag. A rare part indeed.
