Looking for someone to rent the room I am in. Need someone to take over my lease. It is a nice 4 year old house with 3 bed and 2 bath, and garage. To get your own bathroom. I have 2 great roommates that live with me. My part is \$350/month plus utilities that we split. All together about \$425 max depending on how you use utilities. Need to be out asap. Call or text for Alexis.
