Want to earn \$ while learning real estate investing?

We are a private group of real estate investors that wants to convert you from your JOB mentality into a business owner, passive income mentality.

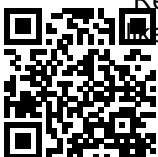

Are you frustrated and fed up with your cubicle/office job?  
Are the sales commissions you're earning not creating your dreams?  
Tired of watching your company/boss make all the money while you give your "time for dollars"?

This is not a 9-5 job, but an opportunity to create six figure income and do it on YOUR terms not theirs. Earn commissions and do real estate deals with us instead.

Job duties include:  
Working from home and setting your own hours  
Setting simple appointments of interested candidates  
Becoming educated on real estate strategies  
Creating offers and contacting potential buyers and sellers  
Follow-up with clients via phone or email  
Attend real estate workshops and network events

\*\*Commissions are direct deposited on Tues/Fri (8X month)\*\*

Real estate, marketing, and sales experience a plus, but not required. Email your NAME/PHONE NUMBER/PREFERRED EMAIL, and we will contact you. If it sounds like a go, please extend your offer to our company.
