Hello, I have a soon to be 5 year old boy who will start school in August at Lewisville Elementary. I work late Tuesday, Wednesday, and Thursday so I am needing someone who can pick him up at 2:45 and drop him off about 4 blocks away at the babysitters. I will either pay for this service, or trade and pick up and drop off your child Mondays and Fridays. Please email me if interested and we can chat about.
