I have a pretty open schedule until the end of June. Looking to do some bikini photo shoots at Golden Gardens and Alki beach. Don't need experience, but it is preferred. Please email examples of your work or a link. You can view my work at <http://www.modelmayhem.com/429024>

I'm also open for motorcycle/car photo shoots. So if you know someone with a nice motorcycle or car and want to do a photo shoot just let me know.

These will all be TFCD photo.
