

Toyota 4Runner Aluminum Safari Top (400 USD)

Location **Vermont**
<https://www.genclassifieds.com/x-436426-z>

Aluminum safari top frame from my old '87 4Runner.

Utilizes the mounting holes for the factory top.

All aluminum, so it is extremely lighter than the factory top.

Needs new canvas. I had made mine out of two layers of canvas with a sheet of plastic in between.
