A. \$85 wide open hutch w/ removable divider (good for guinea pigs in summer or one rabbit, will need to add houses for them bc it is so open .) I can add another level to bottom of cage for more room for a bunny to have +\$20.

B. \$400 Rabbit Hutch/Dog house combination needs a little TCL. heavy. can deliver if it's not to far \$20 extra if it is more than an hour away.

C. \$25 Medium size crate

D. \$75 Large Dog Crate for transport/ crating , this was used to transport a dog via airline practically brand new.

E. \$75 Small hutch used for guinea pigs and has house baby chickens and baby turkeys, has a back door option just needs a run to attach it to for them to romp outside. can be used for a small rabbit if you make or buy the run so bunny has more room +\$20 and I can do it.
