

## x0024450 looking for a roommate (west end)

Location

Virginia

<https://www.genclassifieds.com/x-436773-z>

I'm a home owner in the west end of Richmond. I am looking for a roommate. All utilities, cable, and internet are included in the monthly rent. There are pictures of the house and room upon request.

I'm very easy to get a long with, laid back, and clean up behind myself. I do have large dogs.

If this sounds like it may be a good fit please contact me.

Thanks,
