I have a 500 square foot apartment for rent. It was recently renovated in 2010 and features polished and stained concrete floors, central air/heat, full bathroom, kitchen, ceiling fans, and laundry hook ups. It is located inside a privacy fence and has a sliding driveway get where your vehicle will be parked so it is secure. Rent is \$850.00 per month and includes water, gas, electric, garbage, and recycling. Does not include cable, internet, or phone. Call me and I can discuss details. Thanks.
