Quaker and Cage (Beloit)

Location **Wisconsin** https://www.genclassifieds.com/x-436835-z

Need new home. Was informed by apartment management that I could have only one bird [I have two quakers].

She is about three years old and super, super friendly.

I paid \$200 for the quaker; \$250 for the cage; about \$100 items in the cage. I am asking.
