I have over 20 yrs of experience that included 10 yrs operating a In-home license childcare facility ages 4wks-12yrs. My service was so nurturing and reliable that I never had a family leave. I'm returning to offer my nurturing/ very caring services in a clean/smoke free environment. I operate a well structured program that caters to each child needs. My home is truly a home away from home that families really love. Care includes home cooked meals, snacks, pampers and wipes. My childcare education includes EC 1&2, infants & toddler, SIDS, shaken baby syndrome and CPR/AED. Clean background and driving record with auto insurance. Very reliable with great reference.
