

Argentine Tegu (Glen Allen)

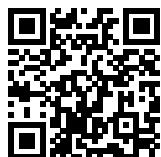

Location **Virginia**
<https://www.genclassifieds.com/x-437066-z>

I need to rehome my female Black & White Argentine Tegu. She'll come with her 4ft cage with bioactive soil and heating lights. She'll need a new UVB. I'm asking \$300 for everything. She needs to be handled more and unfortunately i dont have the time i used to. Cash only and you must be able to pick up, I can help you.
