Hello everyone. I am renting 1 of 3 bedrooms in my home. I have one roommate due to move in next month so it would be a shared bathroom. The room is not large but I am only asking \$350 a month flat. You are responsible for your own bills and groceries of course. Smoking is ok outside and I am 29 years old male and am 420 friendly. No other drugs allowed. Fairly private person. Respectful of privacy. Please have a full time job, not something part time just to make rent. I work pretty early in the morning and my off time varies. You are welcome to the house but please respect that it is my home. I don't want people over hanging in the living room at 1 in the morning. Dealt with this before. Located near 67th Ave and camelback. Please email or text to 623 nine 86 one 596 if you are interested. I will send pics upon request, can't upload from.
