Give the best gift I ever received as a child: piano lessons--opening the door to a lifetime of music! Accepting a limited number of new students, age 6-adult. All levels of piano; oboe and reed making. Love sixties music? Jazz? Classical? Traditional piano techniques are customized toward your own interests. Twenty+ years teaching private lessons; ASU music degree. Theory and ear training included in lessons. Lessons in your home if you are within approx. 10 miles of Dobson Ranch (on the Mesa/Tempe border), \$30./half hour or \$50./hr (half hour is best for beginners; hour is better for more experienced).
