PLEASE DO NOT EMAIL ME IF YOU DONT THINK YOU HAVE THE TIME, COMMITMENT LOVE OR DRIVE FOR MUSIC.

I am 32 years old and play Piano/Guitar very well. I am also versatile in any genre on both instruments.

My current band mates have life getting in the way (completely understandable) so i want to start something new to bring music into my life even more. I want to make music my life. I.e Play shows, write music, record, tour (eventually), etc. Please be on the same page :) Looking for vocalist mainly to write songs.

Looking for any age - Female or Male. Dedicated and wants to take it to the top!

I am an established musician that wants to get more involved in music. I have many connections at Colorado venues as well. In our past bands I have had some very good success - ex. played Red Rocks with Silver Sun Pickups, 3OH3, and Fiddlers Green with Smashing Pumpkins. Also played with Parachute, Macy Gray, The Ataris, Red Jumpsuit Apparatus, Tinkle Me Pink, etc

I have a large practice space off 104th and Towers but can travel. I have all instruments here as well as a recording setup.

I'm looking for a style similar in the terms of Sara Bareilles, ZZ Ward, Matt Nathanson, Gavin Degraw, The Lumineers, The Lumineers, Billy Joel, The Lumineers - For the love of music, Pop, Rock, and anything else that is easy-going and fun to listen to. I would like to find someone who is also a musician. Email me if you are interested. (that's what I want.)
