Located in the desirable Linda Vista area of Pasadena. This recently remodeled from head to toe, Mid-Century Ranch home features four bedrooms and three bathrooms with sweeping views of the Rose Bowl/San Gabriel Mountains. Located on a cul-de-sac, this turn-key home has so much to offer. Great location, brand-new upgrades, wide open space and incredible views. The inviting large living room has a fireplace with beautiful views, and the formal dining room has custom cabinetry. The large kitchen is complete with stainless steel Viking and Miele appliances! The family room has wall to wall windows and opens into another dining area. The laundry room has front loading Whirlpool washer/dryer and all three bathrooms have been remodeled. If you are looking for a peaceful environment not too far away from the city, the location could not be better. Home is also available furnished.
