Looking for dedicated musicians that want to start a death metal band in the valley, I have my own guitar equipment, looking for a bassist, drummer, another guitarist, and vocalist. I've been playing for 14 years. Bands like deicide, cannibal corpse, putrid pile, suffocation, old carcass, cerebral bore. If interested text me, I'm married and have kids so I have to plan things a head of time. I do have a huge garage to jam in. You must have your own way around and gear as
