I am available for child care for any age child 0-11 years who just need care for the summer. My spaces are full for fall semester at my in home preschool but we have openings for summer.

I am fully licensed by the State of Alaska and accept child care assistance.

We have a huge playground available as seen in the photos and spend a lot of time outside enjoying nature and burning off energy.

I have been a child care provider for over 15 years and have 3 children of my own.

Please call for more.
