In love? Want pictures to prove it? You're perfect!

I'm looking for a hip, urban couple 25-40 to pose as a couple and individually with Cincinnati in the background. You must be good looking and camera-friendly. This is for stock photography, and you will need to sign a model release. The shot I'm looking for is similar to the photo posted. I want to do two locations, Devou Park and Mt. Adams. Time will be roughly 8:30 to 9:30 any clear evening. It may not be possible to get both locations in one go, so this gig may be split into two. You can apply for one or both!

I am looking to do this shoot the first week of June.

Payment: 8x10 prints and electronic files (low res, for).
