I'm seeking a young man in great shape with huge, ripped, powerful muscles who can give me a bear hug that will easily crush all of my ribs. Send a shirtless physique photo along with your age, height, weight, and strength details. The strongest and most muscular guy comes over to give me a bear hug that will easily crush all of my ribs and receive \$200 cash on the spot. You'll receive an additional \$200 cash if you can punch or crush my heart hard enough to make it stop.
