\*\*\*The car in the picture is NOT the car for sale. It is simply a picture of the color and body style. The actual car is in much rougher shape. I just don't have any actual pictures to post.

1997 Ford Mustang for sale; it was my wife's car when we met. We gave it to both of her younger sisters to use as their first car. The odometer stopped working at @ 85K miles; we guess it has about @ 150K miles or so. Original paint and interior are both in rough shape. The car is honestly mechanically sound but could use a tune up and the cosmetics definitely need some TLC.

Would be good for someone who doesn't care about cosmetics, used for parts or a restoration project.

Asking \$1,000. Come see it, make an offer.

Call or text my mother in law, Leann at 985 - Seven, seven, four - 4, eight, 39. Or email me here and I'll relay the.
