He is very healthy and tame. I have a day and a night basking light. A fluorescent fixture. A log, plastic plants, and a fogger. The setup cost me about \$200. The iguana was \$40. My new landlord won't allow them. I can give a simple set of care instructions to someone who is willing to care for this amazing lizard. Text anytime or call after 2pm. I can send pics. Ask for Bill.
