Hi,  
 I am a Loving, Nurturing, Patient, Caring, Reliable, Responsible, Trustworthy, Dependable, Hardworking Professional Nanny With 15 Years Of Experience. I have experience taking care of infants, as well as, with older children.

I am (infant-child) CPR-certified, Pet-friendly, and a Nonsmoker, Nondrinker, Nondrug user.

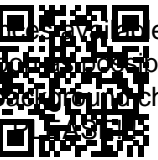

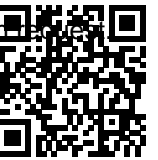

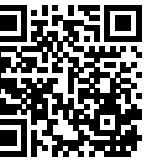

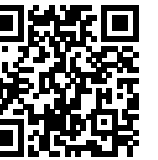

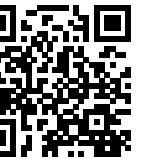

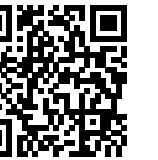

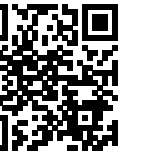

If you're looking for a nanny who will put the safety and welfare of your children first above everything else, as well as provide your children with a safe, consistent, stable, loving environment, then I am the nanny for your children and your family.

I would like to work between (3-4) days per week!! I am looking to care for children of all ages!!

I charge a flat rate of \$25.00 dollars a day that's for (1) child!!

I enjoy the outdoors, reading to the child(ren), singing, playing all kinds of games, teaching the child(ren) how to count, their abc's, their colors, using flashcards, bike riding, coloring, arts-n-crafts, going to the park, going for walks, swimming, having playdates, nature, putting puzzles together, playing dress up, playing with lego's, and so much more...

Please feel free to call if you have any questions.
