

need ride out of maine (Southbound)

Location **Maine**
<https://www.genclassifieds.com/x-439186-z>

Hello. I am looking for someone to give me lift south of Maine, as far as they are going. I am a 22 female with little baggage and body size so I will not take up much room. I have some money that I am willing to pitch in for gas. Looking to leave Portland ME as soon as.
