Selling a very nice set of OEM 18.5" wheels and tires with gunmetal paint. Wheels equipped with Michelin pilot tires, about 85% tread left. Will fit all coupe/sedan models.

I sold my car so looking to get rid of them asap as they are taking up space in my garage. My loss is your gain, original price including everything is over \$3,000!

I am willing to negotiate, but please no low ball.
