

scrap metal removal (Plymouth nh and around)

Location **New Hampshire**
<https://www.genclassifieds.com/x-439387-z>

will pick up scrap metal free of charge willing to travel further for enough stuff at least a decent truck load of at least metal with some value to it(heavy steel or others not just a small amount of tin) to make it worth the fuel will do all the work also take scrap cars,batteries, ect also offer barn/garage clean outs at reasonable rates NO REFRIGERATORS OR A/C UNITS UNLESS PROPERLY DRAINED BY LICENSED TECH they cost too much to dispose of

call plz leave a message no blocked #'s my phone will not accept them
