Alloy Wheels - 4x100mm - 14-inches by 6-inches - 14x6x100mm - VW Original Orlando

Hello

I have a complete set of these rare outstanding alloy wheels.

While they were originally for MK3 [1992 - 1999] VW Jetta & Golf, they will work on any 4x100mm bolt pattern without difficulty or issues.

For VW cars, they will work on any 1982 through 1999 VW Rabbit or Golf or Jetta or Fox - I know this for certain.

They are VW Original; the style is known as Orlando.

They are in excellent condition; recently refinished.

There are no issues of curb rash or other cosmetic issues.

The finish is bright silver metallic.

 I have a floor jack available, so if you wish to confirm fit to your car, we can easily do so before you purchase.

Interested; please contact me at your convenience.
