

Red bone coon hound (Weiser)

Location **Idaho** https://www.genclassifieds.com/x-439583-z

We have a coon hound that needs more then what we can offer, she's 3 up to date on shots, is fixed and has a micro chip. She is potty trained and very sweet. But... She is bored, she chews, digs, and has no manners. We have only had her a month and she really needs a job.)
