

# LOST small box left at Boise Airport (BOI Airport)

Location

Idaho

<https://www.genclassifieds.com/x-439584-z>

I returned from a trip today (Sat May 16) and left a small box in the mens room on the lower level. It is approx 2" by 2" by 18" long. It contains a sentimental gift for someone, bought during my trip. The box has an identifiable characteristics and I can describe the contents. If found please email me via reply. Thanks!
